The mazot consists of a studio room with a double bed, a shower room and corner kitchen with fridge, hob and microwave. It is a cosy little chalet all on one floor, with a stunning view of Mont Blanc. The balcony provides a lovely spot for breakfast, overlooking the peaceful garden and mountains beyond.

The mazot is set in a lovely garden in the Moussoux area of Chamonix. It is an easy stroll into the shops, bars and restaurants in the centre, yet you can still sit on a delightful south-facing balcony in peace and enjoy the mountains. It couldn't be easier walking to the main Chamonix lift for skiing on the Brévent (10 minutes in ski boots), and you can take the ski bus from there to the other ski areas.
