## Mazot Les Tines

Mazot les Tines is a charming little chalet or ‘mazot’ straight out of Hansel and Gretel, in a quiet location with the River Arve running close by. Popular with small families it is also a favourite place for romantic honeymoons! It is set in a little garden with the Mont Blanc range as a backdrop, pretty stunning we reckon.

There is a dreamy little bedroom upstairs with a door leading to a small balcony and wooden stairs. Below on the ground floor you will find a shower room, a neat little kitchen (with small oven, hob, fridge and washing machine) and dining area, all in wood of course. Beyond this is a living room with a large picture window (more views!). There are two mattresses on a balcony-mezzanine which are ideal for children.

Situated between Chamonix and Argentière in the village of Les Tines, Mazot Les Tines is well placed for the lifts at both Les Grands Montets and Flégère-Brévent, and is the perfect starting point for country walks, family attractions or golf at the nearby Chamonix Golf Club. There is free day travel in the valley for our visitors using the bus or little single track mountain train. Both the bus stop and the Les Tines train station are 250m from the Mazot.
