Stephen's Mazot

There is a sitting room with doors to the balcony, a galley kitchen at one end and a shower room. Downstairs there is a double bedroom which is accessed from the garden door or via a ladder from the room above. There is an incredible view of Mont Blanc from the balcony and garden, which surrounds the chalet.

The mazot is set in a lovely garden in the Moussoux area of ChamoniX. It is an easy stroll to the shops, bars and restaurants in the centre, yet you can still sit on a delightful south-facing balcony in peace and enjoy the mountains. There are some amazing hikes straight from this small chalet to the Brévent lift area where the 'Petit Balcon' route goes all the way to the top of the valley.
