### Stephen's Mazot

There is a sitting room with doors to the balcony, a galley kitchen at one end and a shower room. There is a sofa/single bed which can be used if necessary. Downstairs there is a double bedroom which is accessed from the garden door or via a ladder from the room above. There is an incredible view of Mont Blanc from the balcony and garden, which surrounds the chalet.

The mazot is set in a lovely garden in the Mousoux area of Chamonix. It is an easy stroll into the shops, bars and restaurants in the centre, yet you can still sit on a delightful south-facing balcony in peace and enjoy the mountains. It couldn't be easier walking to the main Chamonix lift for skiing on the Brévent (10 minutes in ski boots), and you can take the ski bus from there to the other ski areas.
